REPUBLIC DAY CELEBRATION

At TIPS Republic day was celebrated with much pomp and gaiety . Along with the celebration we had the investiture ceremony as an added attraction, which was officially introduced at TIPS in 2017, with the post of Head Boy, Head Girl , House Captains and House Vice-Captains. The tradition of hoisting the National flag by the Chief guest(toppers in the IBDP examination) was upheld by Ms.Nivetha Narayan our top scorer and taking the guard of honour for the march past by Shri Vishnu Prabakhar . It was indeed a moment of pride for the TIPSians to see the role models being honoured with the responsibility of rendering the two most prestigious events of the day. The march past by the various houses lead by the band group from MJC was indeed a sight to treasure since two schools student community were marching in tandem as a mark of respect for our nation. The Chief guest address by Nivetha was truly inspirational with a message to the entire student community to “never settle for the ordinary, choose to be extraordinary” which summed the learning outcome of a student at TIPS.

The Investiture ceremony was an emotional filled moment as the captains and vice-captains passed on the baton of responsibility and commitment to their junior elect student representatives. Few moments of tension and suspense filled the air as the Cock house of year 2017 was announced. It was bagged by ZEUS group.

Caring and sharing moments were provided with the distribution of books donated by the school students to the MJC students. It was touching to note that the students ranging from PYP-IBDP had contributed the books.

Fun filled moments were provided by the dancers from PYP and IBDP in the form of Free hand drill and dance. The highlight was the dance performance by the PYP students dedicated to all the lesser known martyrs of our nation which aroused the patriotic feeling among the audience befitting the occasion.
