**“EVERY ARTIST DIPS HIS BRUSH IN HIS SOUL AND PAINTS HIS OWN NATURE INTO HIS PAINTINGS” – HENRY WARD BEECHER**

There are no limits to a little one’s imagination! And what can be a better way to capitalize this than an Arts and Craft workshop. This Saturday 5th of March, TIPS Kindergarten campus witnessed an assembly of budding artists! The Creative Arts workshop 2022 was a mega event hosted by TIPS CAS team that brought together lovers of Lippan, Warli and stone artforms across all grades. The kids were allowed to bring a buddy along with them to enjoy creating the art together. Making art is a great, safe way to make mistakes and that getting things wrong can lead you to a whole new idea! This is the motive behind every new learning strategy at TIPS.

Parents enjoyed live performance of their kids creative painting during workshop as buddies. Children explored more about colours ,different forms of arts such as Warli art, lippon art and stone painting. Children felt good and cherished their moments.

## Learning through play

*Everything is a learning experience. And one of the finest and most enjoyable ways of doing this is through play. To demonstrate the planetary movements the children played the part of the sun, moon, earth etc. One group was designated as the sun (with the children waving their hands to represent the rays of the sun) and the others moved around it as earth and moon. It was all great fun and very effective in communicating the idea of planetary movements, distance between the planets and the role of the sun in the solar system.*

**HI MA'AM,**

**THANK YOU SO MUCH FOR CREATING THE OPPORTUNITY TO INTERACT WITH THE KIDS. I WAS SO IMPRESSED BY THE WAY THEY ENGAGED THEMSELVES DURING THE CLASS. THEY QUICKLY RELATED THE STORY TO WHAT THEY ARE LEARNING IN THEIR REGULAR CLASSES LIKE SHARING THE PLANET, BEING KIND TO ALL LIVING ORGANISMS ETC:) THEY RESPONDED VERY CLEARLY AND COMPREHENDED THE STORY EASILY. MOST IMPORTANTLY THEY WERE FOLLOWING THE ESSENTIAL AGREEMENTS LIKE KEEPING IN MUTE WHEN SOMEONE IS TALKING, RAISING HAND TO GET ATTENTION AND RESPONDING WITH THUMBS UPS. I WAS VERY IMPRESSED BY THE WAY YOU HAVE TRAINED SUCH LITTLE KIDS TO MAINTAIN DISCIPLINE AND AT THE SAME TIME KEEPING THEM ENGAGED AND HAPPY IN THE VIRTUAL CLASSROOM.**

**THANKS TO YOU AGAIN AND SO HAPPY TO HAVE ANYA GROW UP WITH SUCH BEAUTIFUL AND ENRICHED EXPERIENCE WITH TIPS.**

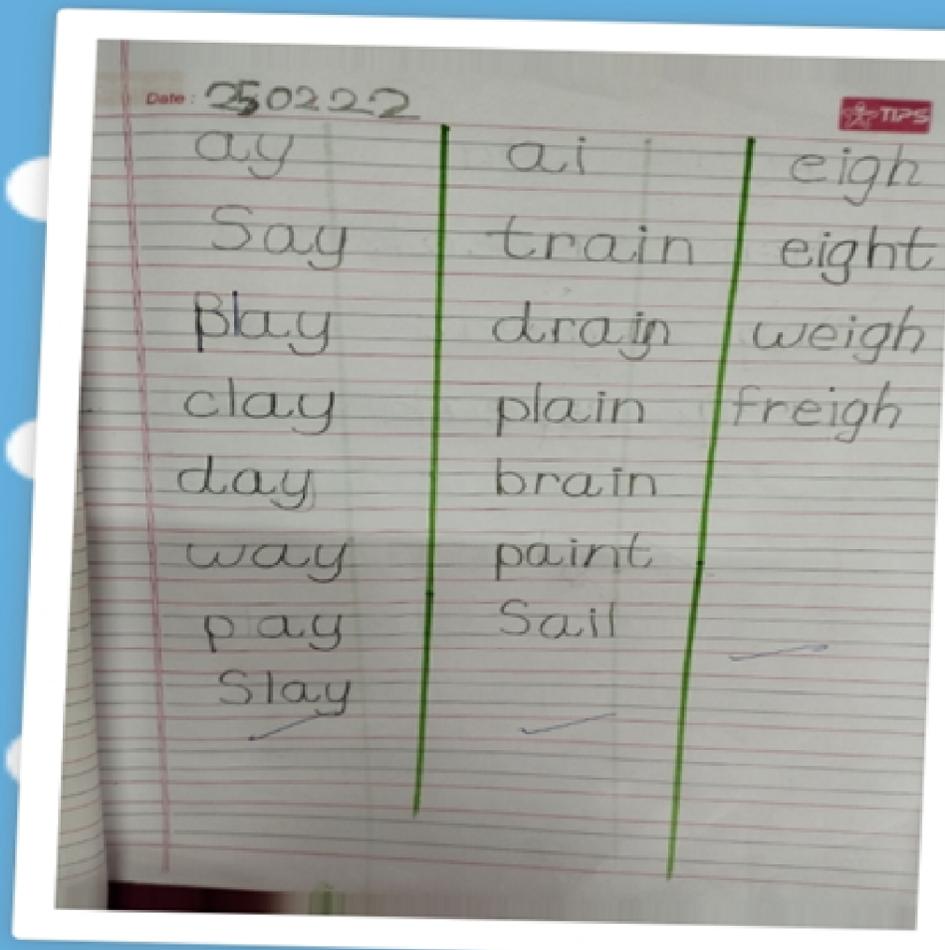

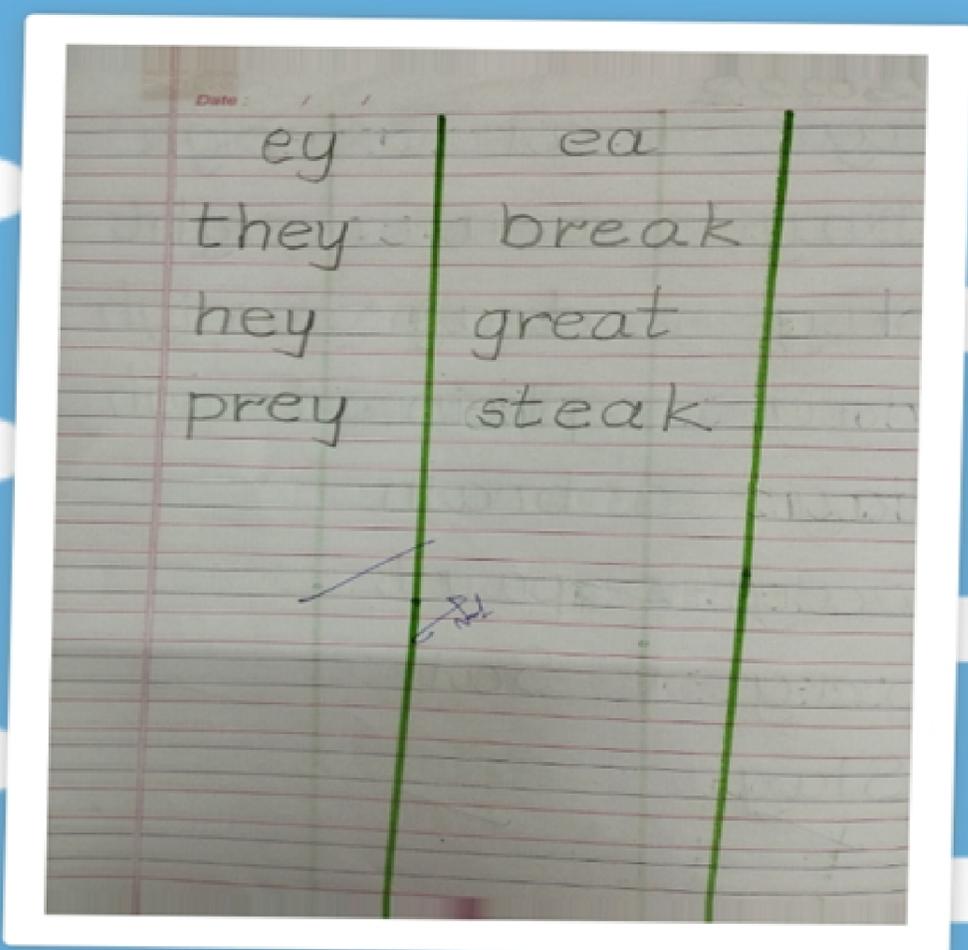

**THANKS & BEST REGARDS,

Saying it right

**READING AND SPEAKING WITH PROPER PRONUNCIATION IS VITAL TO MASTER ANY LANGUAGE. DIGRAPHS ARE MANY, LONG "A" DIGRAPH HAVE MORE WORDS WITH DIFFERENT LETTERS WITH SAME SOUND BUT CHILDREN MUST BE TAUGHT TO BE ABLE TO DIFFERENTIATE BETWEEN AI,AY,EA,EY,EIGH. TO FACILITATE THIS ACTIVITY WAS DONE TO EXPLORE WITH PICTURE AND WORD WALL. WHILE READING DECODABLE STORY BOOKS CHILDREN WERE ABLE TO IDENTIFY LONG "A" DIGRAPH WORDS AND READ WHICH HELPED THEM TO READ STORY AND UNDERSTAND IT TOO.**

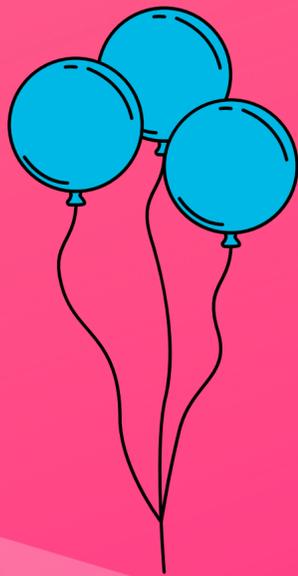

# HEALTH AND BEYOND

"Apart from education, you need good health and for that, you need to play sports". – KAPIL DEV

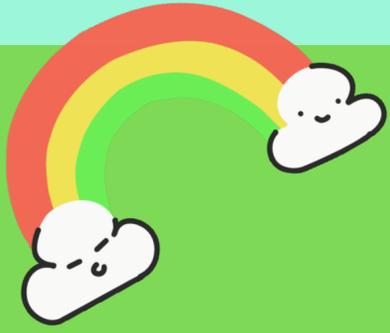

Health and sports are well interconnected. At times all the components of personality development has its own importance. Children enjoy playing games i.e. outdoor or indoor. Games are an integral part of children's life and have great advantages of developing gross motor skills and much more. Sports fest is being organized in the month of March 2022. Children enjoy their physical education in this part of the academic year, thereby resulting to their health benefits. Sports always create competitive perspective among the children and allow them to identify their own strengths and weaknesses and improve their game skills on the field.

"sport is a preserver of health." – Hippocrates

**"CHILDREN ARE THE FUTURE CITIZEN OF OUR COUNTRY"**

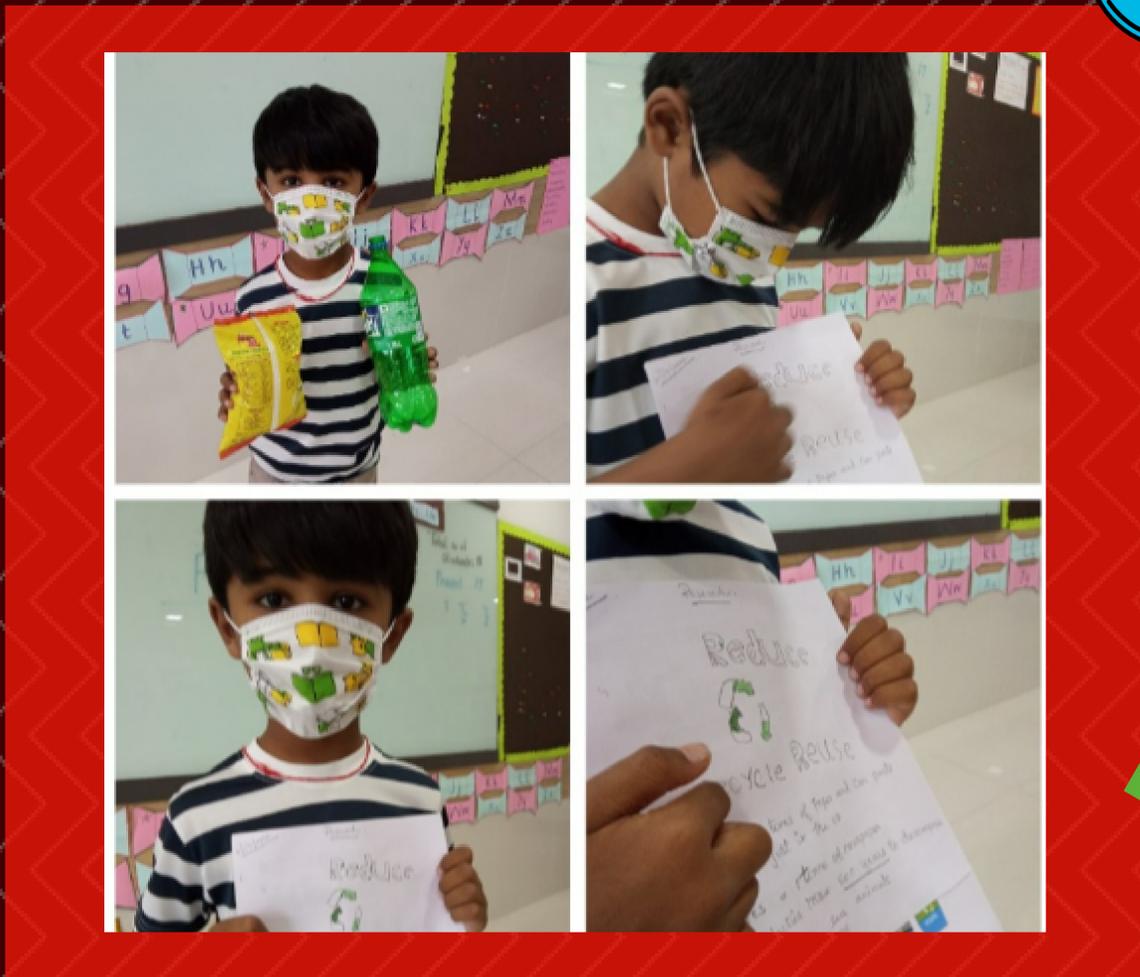

OFTEN WE LEARN MANY FACTS FROM CHILDREN AND IT IS OUR DUTY TO AGREE AND RESPECT THEIR VALUES. PARENTS ARE THE FIRST FACILITATOR FOR ALL CHILDREN. WHAT THEY SEE THEY DO, WHAT THEY DO THEY LEARN, AND GOES A LONG WAY IN HELPING THEM LEARN VALUE SYSTEMS THAT CONTRIBUTE TO TURNING THEM INTO IDEAL CITIZEN OF THE COUNTRY. FOR INSTANCE, CHILDREN HELPING PARENTS IN SMALL HOUSEHOLD WORKS IS THE SMALL STEPS TO ACHIEVE BIGGER TASKS. AS A FACILITATOR AND STAKEHOLDER IN THEIR FUTURE WE CAN ENCOURAGE THEM TO CULTIVATE THE HELPING SPIRIT WHICH WOULD CERTAINLY CONTRIBUTE TO BETTER LIVES FOR ALL.

# POTPOURRI

*"Education's purpose is to replace an empty mind with an open one."*

*- Malcolm Forbes*

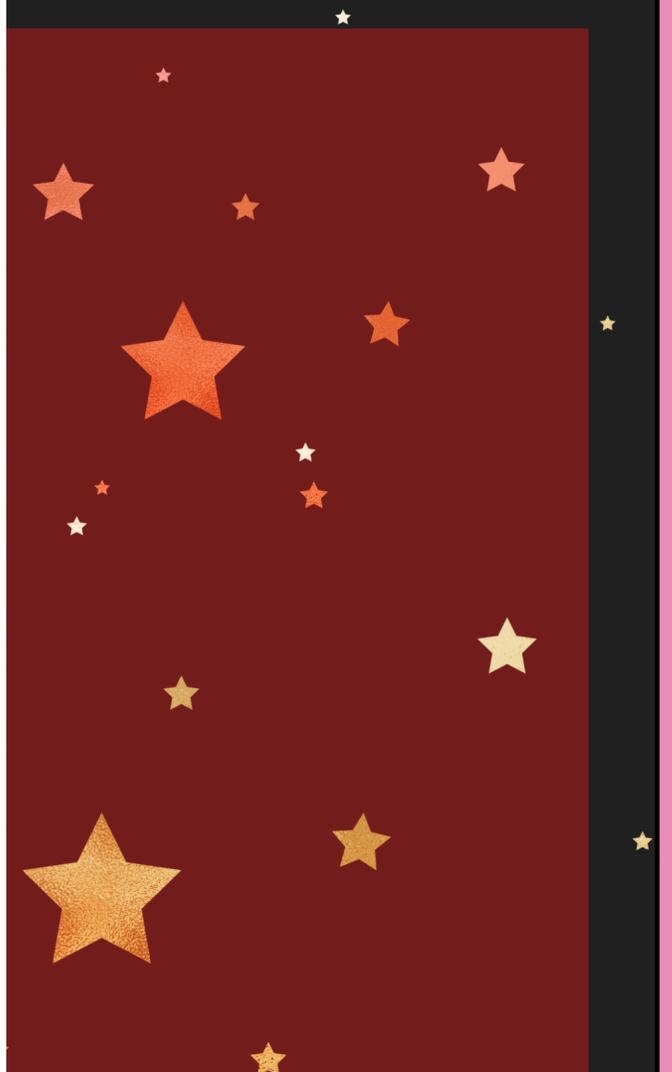

The 3 R's Reduce, Reuse, Recycle, Keep it on loop.

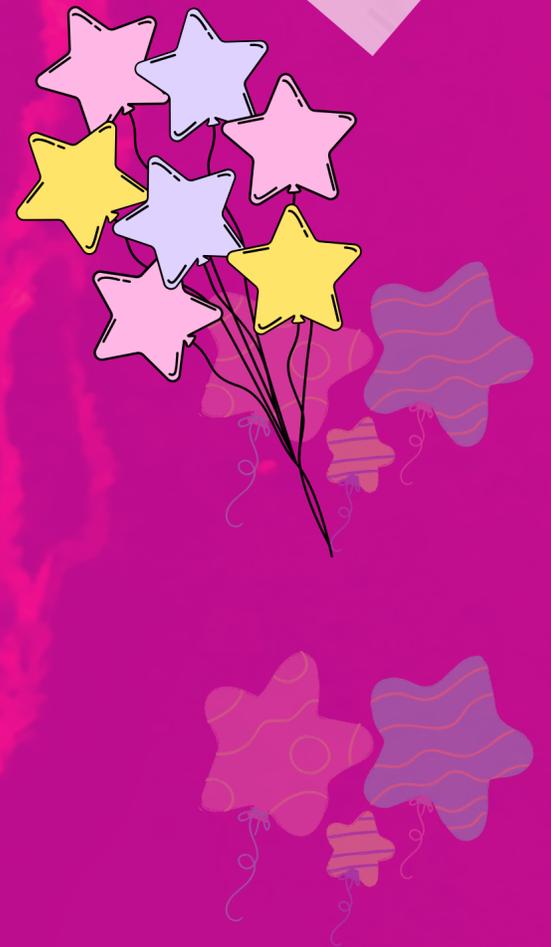

Reduce, Reuse, Recycle – these three 'R' words are an important part of sustainable living, as they help to cut down on the amount of waste we have to throw away. It's Really simple!

- Reduce the amount of waste you produce.
- Reuse items as much as you can before replacing them.
- Recycle items wherever possible.

Using the 3 'R's also helps to minimise the amount of space needed for landfill sites, where waste materials are disposed of. Our young learners are sensitized about it and they are taking action for a greener Planet Earth.
